

# Prime Antenna Location

The Capella Tower is one of the tallest buildings in Minneapolis at 56 stories. The building accommodates a variety of two-way, microwave, and satellite communications equipment. Common areas for telecommunications systems have been allocated on the 55th floor. Redundant back-up power facilities are available in the designated equipment areas.

At Broadcast Services, we pride ourselves on maintaining clean, interference-free sites. Our competitive rates can save you money. Contact Carrie Walker or Douglas Weaver for details.
